The directors are required to act in a way which they consider, in good faith, is most likely to promote the success of the Company for the benefit of its members as a whole and, in doing so, have regard (amongst other matters) to the matters set out in section 172(1)(a) to (f) of the Companies Act 2006.

The company is a subsidiary of Associated British Foods plc and, as such, the company has adopted and directors have due regard to applicable group policies and procedures which impact on the company's stakeholders, including those referred to on page 71 of the Associated British Foods plc Annual Report and Accounts 2022.

The following section serves as AB World Food's section 172 statement and describes how the directors take into account such stakeholder and other matters in carrying out their duties and the impact on decision-making. GOING CONCERN

After making enquiries and considering the support available from the intermediate parent company described above, the directors have a reasonable expectation that the Company has adequate resources to continue in operation for 12 months from the date of signing of these financial statements. These considerations included the ABF group's directors' assessment of going concern (set out in the Annual Report and Accounts dated 8 November 2022 and available at www.abf.co.uk), which included the significant levels of cash and undrawn committed long-term facilities available to the group and the ABF group's directors' stress testing of cash flow forecasts through to 2 March 2024, and an assessment of any developments since that date that would adversely affect that conclusion. Accordingly, the financial statements have been prepared on the going concern basis."

GOING CONCERN

After making enquiries and considering the support available from the intermediate parent company described above, the directors have a reasonable expectation that the Company has adequate resources to continue in operation for 12 months from the date of signing of these financial statements. Accordingly, the financial statements have been prepared on the going concern basis.

These financial statements contain information about Worldwing Investments Limited as an individual company and do not contain consolidated financial information as the parent of a group.
