Strategic Report for the period from 17 September 2023 to 14 September 2024

The directors present their Strategic Report on ABF HK Finance Limited ('the Company') for the period from 17 September 2023 to 14 September 2024.

Review of the business

The principal activity of the Company is that of a finance and holding company within the Associated British Foods plc group (the 'Group').

During the period the principal activity of the Company remained unchanged and the directors anticipate that the Company will continue to operate on the same basis.

Principal risks and uncertainties

A full description of the principal risks and uncertainties applicable to the Associated British Foods plc group, of which the Company is a subsidiary, are disclosed on pages 78 to 86 of the Associated British Foods plc 2024 Annual Report, which is available at www.abf.co.uk

Trading results

The Company's result for the year is reflected in the income statement on page 7. The profit on ordinary activities after taxation was RMB 8m (2023 – loss of RMB 39m).

Engaging with our stakeholders - section 172 statement

The directors are required to act in a way which they consider, in good faith, is most likely to promote the success of the Company for the benefit of its members as a whole and, in doing so, have regard (amongst other matters) to the matters set out in section 172(1)(a) to (f) of the Companies Act 2006.

The Company is a subsidiary of Associated British Foods plc ('ABF') and, as such, the Company has adopted, and the directors have due regard to, applicable group policies and procedures which impact on the Company's stakeholders. Please see the Associated British Foods plc section 172 statement on pages 48 to 53 of the ABF 2024 Annual Report.

Stakeholders and engagement

The key stakeholders with whom engagement is fundamental to the Company's ongoing success are:

- subsidiaries of the Company; and
- its shareholder.

Subsidiaries of the Company

The Company is part of the group headed by Associated British Foods plc and the Company's accounts are consolidated in the Associated British Foods plc Annual Report. Group companies provide financial and other support to each other and the sharing of best practice and know-how between the businesses within the broader group is actively encouraged.

Directors' Report for the period from 17 September 2023 to 14 September 2024

The directors present their Annual Report and the unaudited Financial Statements for the period from 17 September 2023 to 14 September 2024.

Dividends

No dividends were declared and paid in the period (2023 – nil).

Going concern

The Company has received a letter of support from its intermediate parent company, ABF Investments plc, indicating that it will receive the financial and other support necessary for the Company to trade and meet its liabilities as and when they become due for a period of 12 months from the date of signing of these financial statements.

After making enquiries and considering the support available from the intermediate parent company described above, the directors have a reasonable expectation that the Company has adequate resources to continue in operation for 12 months from the date of signing of these financial statements. These considerations included the ABF group's directors' assessment of going concern (set out in the Interim Results Announcement dated 29 April 2025 and available at www.abf.co.uk), which included the significant levels of cash and undrawn committed long-term facilities available to the Group and the ABF group's directors' stress testing of cash flow forecasts through to the end of the 2026 financial year, and an assessment of any developments since that date that would adversely affect that conclusion. Accordingly, the financial statements have been prepared on the going concern basis.

Directors of the Company

The directors who held office during the period were as follows:

AA Smith
RG Cahill

Directors' indemnities

The directors have benefited from the Associated British Foods plc group Directors and Officers Insurance policy.

Health and safety

The Company and the broader group of which it forms part keeps its health, safety and environmental performance and levels of legal compliance under regular review and ensures that risk management controls are appropriate and effective.

Auditor

The Company is exempt from the requirements of the Companies Act 2006 (the 'Act') relating to the audit of individual accounts pursuant to section 479A of the Act.

Approved by the Board on 29 April 2025 and signed on its behalf by:

AA Smith
Director

Statement of Directors' Responsibilities

The directors acknowledge their responsibilities for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework (FRS 101).

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
state whether FRS 101 has been followed, subject to any material departures disclosed and explained in the
- financial statements; and
prepare the financial statements on the going concern basis unless it is inappropriate to presume that the
- Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Under applicable law and regulations, the directors are also responsible for preparing a strategic report and directors' report that complies with that law and those regulations.

Significant accounting policies

for the 52 weeks ended 14 September 2024

Basis of preparation

The Company's financial statements are presented in Chinese Renminbi, rounded to the nearest million (RMBm), except where otherwise indicated. They are prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and the Companies Act 2006.

The Company has taken advantage of the disclosure exemptions permitted by FRS 101 in relation to financial instruments, capital management, presentation of comparative information in respect of certain assets presentation of a cash flow statement, standards not yet effective, impairment of assets and certain related party transactions. Where required, equivalent disclosures are given in the consolidated financial statements of Associated British Foods Plc.

The Company has also taken advantage of the exemption under s400 of the Companies Act 2006 not to prepare group accounts as its results are included in the consolidated accounts of its intermediate parent company, Associated British Foods Plc. These consolidated financial statements are available to the public and may be obtained from Associated British Foods Plc, Weston Centre, 10 Grosvenor Street, London, W1K 4QY. They are also available for download on the Group's website at www.abf.co.uk.

An exemption from the requirements of paragraphs 88C and 88D of IAS 12 Income Taxes has been applied.

Going concern

The Company has received a letter of support from its intermediate parent company, ABF Investments plc, indicating that it will receive the financial and other support necessary for the Company to trade and meet its liabilities as and when they become due for a period of 12 months from the date of signing of these financial statements.

After making enquiries and considering the support available from the parent company described above, the directors have a reasonable expectation that the Company has adequate resources to continue in operation for 12 months from the date of signing of these financial statements. These considerations included the ABF group's directors' assessment of going concern (set out in the Interim Results Announcement dated 29 April 2025 and available at www.abf.co.uk), which included the significant levels of cash and undrawn committed long-term facilities available to the Group and the ABF group's directors' stress testing of cash flow forecasts through to the end of the 2026 financial year, and an assessment of any developments since that date that would adversely affect that conclusion. Accordingly, the financial statements have been prepared on the going concern basis.

Foreign currencies

The Company records transactions in foreign currencies at the exchange rate at the date of the transaction, and translates monetary assets and liabilities in foreign currencies at the exchange rate at the balance sheet date, with any resulting differences taken to the income statement, unless designated in a hedging relationship, in which case hedge accounting applies.

Income tax

Income tax on profit or loss for the period comprises current and deferred tax. The Company recognises income tax in the income statement except to the extent that it relates to items taken directly to equity. Current tax is the tax expected to be payable on taxable income for the year, using tax rates enacted or substantively enacted during the period, together with any adjustment to tax payable in respect of prior periods.

The Company provides for deferred tax using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for tax purposes. The Company does not provide for the following temporary differences: initial recognition of goodwill; initial recognition of assets or liabilities affecting neither accounting nor taxable profit other than those acquired in a business combination; and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future.

The Company bases the amount of deferred tax provided on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date. The Company recognises deferred tax assets only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. The Company offsets deferred tax assets and liabilities if, and only if, it has a legally enforceable right to set off current tax assets and liabilities and the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered. The Company recognises income tax arising from dividend distributions at the same time as the liability to pay the related dividend.

As required by IAS 12, the exception to recognising and disclosing information about deferred tax assets and liabilities related to Pillar Two income taxes has been applied.

Financial assets and liabilities

The Company recognises financial assets and liabilities when it becomes a party to the contractual provision of the relevant financial instrument.

Trade and other receivables

The Company records trade and other receivables initially at fair value and subsequently at amortised cost. This generally results in recognition at nominal value less an expected credit loss provision, which is recognised based on management's expectation of losses without regard to whether or not a specific impairment trigger has occurred.
