Dear Shareholder

Annual general meeting 2019

I have the pleasure of inviting you to the 2019 annual general meeting ('AGM') of Associated British Foods plc (the 'Company') to be held at Congress Centre, 28 Great Russell Street, London WC1B 3LS at 11.00 am on Friday, 6 December 2019. The AGM is an important event in our calendar as it provides us with the opportunity to discuss the Company's performance and other important matters with you, as well as listening and responding to your questions.

You will find the formal Notice of AGM on pages 3 and 4 of this document and this sets out the business to be considered at the meeting. Explanatory notes to the resolutions are provided on pages 4 to 8 of this document and guidance notes for shareholders wishing to attend the meeting are set out from page 9. If you have elected to receive information from the Company in hard copy, you will have received the annual report and accounts for 2019 with this document. Shareholders who have not elected to receive hard copy documents can view or download the annual report from our website at www.abf.co.uk.

Directors' remuneration policy

This year we have reviewed the group's incentive arrangements to ensure that they continue to reflect the shape and nature of the group, align with our remuneration principles and reward performance fairly. This has led to the proposed changes in our remuneration policy, which are set out in detail in the directors' remuneration report on pages 91 to 96 of the annual report and accounts 2019. We have also made changes to our policy to reflect changes introduced by the 2018 UK Corporate Governance Code (the '2018 Code') in respect of pensions and post-employment shareholding requirements. We are seeking your approval of this policy at the AGM this year. Please see the explanatory notes on page 4 of this document for further information. The Company is also required to propose a separate annual advisory vote on the directors' remuneration report (other than that part containing the directors' remuneration policy), the explanatory notes for which are also set out on page 4 of this document for further information.

Voting at the meeting or by proxy

As always, your vote is important to us and, if you are unable to attend the AGM, please vote your shares by completing and submitting a proxy form (which is enclosed with this document) by post or electronically as further described in shareholder note 2 on pages 9 and 10 of this document. Shareholders attending the meeting will, again this year, be asked to vote their shares using the 'Votenow' electronic system. Full guidance will be given on the day and, in the meantime, further information on the above is set out in shareholder note 4 on page 10 of this document.

Recommendation

The board considers that the resolutions to be put to the AGM are in the best interests of the Company and its shareholders as a whole. The directors unanimously recommend that you vote in favour of the resolutions as they intend to do so in respect of their own beneficial holdings, which, as at 31 October 2019 (being the last practicable date prior to publication of this document) amount in aggregate to 4,303,152 ordinary shares, representing approximately 0.55% of the ordinary shares currently in issue.

On behalf of the board, I look forward to seeing many of you at our AGM and thank you for your continued support.

Yours faithfully

Michael McLintock

Chairman

Company No. 293262

Notes to resolution 1

Annual report and accounts

The board asks shareholders to receive the reports of the directors and the auditor and the accounts for the year ended 14 September 2019. These accounts are sent to shareholders on 7 November 2019.

Notes to resolution 2

Directors' Remuneration report

Resolution 2 seeks shareholder approval for the directors' remuneration report (excluding the part containing the directors' remuneration policy) which is set out on pages 83 to 106 of the annual report and accounts 2019 and which gives details of directors' remuneration paid in accordance with the remuneration policy approved by shareholders at the 2016 AGM for the year ended 14 September 2019. The Auditor has audited those parts of the directors' remuneration report that are required to be audited.

This resolution is advisory in nature, meaning that payments and benefits made or promised to directors would not have to be repaid or withheld should the resolution not be passed.

Notes to resolution 3

Directors' Remuneration policy

Resolution 3 seeks shareholder approval for the directors' remuneration policy which is set out in the directors' remuneration report on pages 91 to 96 of the annual report and accounts for the year ended 14 September 2019. This resolution is binding in nature and, if approved, the revised directors' remuneration policy will take effect from the conclusion of the AGM. Once the directors' remuneration policy has been approved, the Company may not make any payments to a director or former director of the Company unless that payment is consistent with the approved directors' remuneration policy, or has otherwise been approved by a shareholder resolution. If the directors' remuneration policy is approved and remains unchanged, it will be valid for up to three financial years without a new shareholder approval. If the Company wishes to change the directors' remuneration policy, it will need to put the revised policy to a vote again before it can implement the new policy. If the new directors' remuneration policy is not approved, the remuneration policy approved at the 2016 AGM will continue to apply.

Notes to resolution 4

Declaration of final dividend

A final dividend for the year ended 14 September 2019 of 34.3p per ordinary share is recommended by the directors and is put to shareholders for their approval. If approved, the dividend will be paid on 10 January 2020 to holders of ordinary shares on the register at the close of business on 13 December 2019, making a total dividend in respect of the year ended 14 September 2019 of 46.35p per ordinary share.

Notes to resolutions 5 to 12

Election/re-election of directors

The 2018 Code provides for all directors of companies with a premium listing to be subject to annual re-election by shareholders. Accordingly, all members of the board are standing for re-election. Resolutions 5 to 12 relate to the re-election of directors who have served for the entire period since the last AGM.

Biographical details for the directors (together with the reasons why their contributions are, and continue to be, important to the Company's long-term sustainable success) are set out on pages 5 to 7.

Resolutions 6, 8, 9 and 11 relate to the re-election of Graham Allan, Ruth Cairnie, Wolfhart Hauser and Richard Reid respectively, who are the directors that the board has determined are independent directors for the purposes of the UK Corporate Governance Code. Under the Listing Rules, because Wittington Investments Limited ('Wittington'), and through its control of Wittington, the Garfield Weston Foundation, is a controlling shareholder of the Company (that is it exercises or controls more than 30% of the voting rights of the Company), the election or re-election of any independent director by shareholders must be approved by a majority vote of both:

- (1) the shareholders of the Company; and
- (2) the independent shareholders of the Company (that is the shareholders of the Company entitled to vote on the election of directors who are not controlling shareholders of the Company).

Under the Listing Rules certain members of the Weston family who hold shares in Associated British Foods (including two of the Company's directors, George Weston and Emma Adamo) are treated as acting in concert with Wittington and are

therefore also treated as controlling shareholders for the purposes of these voting requirements. Therefore, the votes of these individuals will also be excluded when calculating the votes of the independent shareholders.

Resolutions 6, 8, 9 and 11 are therefore being proposed as ordinary resolutions which all shareholders may vote on, but in addition, the Company will separately count the number of votes cast by independent shareholders in favour of the resolution (as a proportion of the total votes of independent shareholders cast on the resolution) to determine whether the second threshold referred to in (2) has been met. The Company will announce the results of the resolutions on this basis as well as announcing the results of the ordinary resolutions of all shareholders.

Under the Listing Rules, if a resolution to re-elect an independent director is not approved by a majority vote of both the shareholders as a whole and the independent shareholders of the Company at the AGM, a further resolution may be put forward to be approved by the shareholders as a whole at a meeting which must be held more than 90 days after the date of the first vote but within 120 days of the first vote. Accordingly, if any of resolution 6, 8, 9 or 11 is not approved by a majority vote of the Company's independent shareholders at the AGM, the relevant director(s) will be treated as having been re-elected only for the period from the date of the AGM until the earlier of (i) the close of any general meeting of the Company, convened for a date more than 90 days after the AGM but within 120 days of the AGM, to propose a further resolution to re-elect the director, (ii) the date which is 120 days after the AGM and (iii) the date of any announcement by the board that it does not intend to hold a second vote. In the event that the director's re-election is approved by a majority vote of all shareholders at a second meeting, the director will then be re-elected until the next AGM.

The Company is also required to provide details of (i) any previous or existing relationship, transaction or arrangement between an independent director and the Company, its directors, any controlling shareholder or any associate of a controlling shareholder; (ii) why the Company considers the proposed independent director will be an effective director; (iii) how the Company has determined that the proposed director is an independent

director; and (iv) the process by which the Company has selected each independent director. These details are provided for the independent directors as part of their respective biographies as set out below and on the following two pages.

The Company has received confirmation from each of the independent directors that, except as already disclosed, there is no existing or previous relationship, transaction or arrangement that the independent directors have or have had with the Company, its directors, any controlling shareholder or any associate of a controlling shareholder.

This combination of skills, knowledge and experience makes Michael a very effective Chairman both in terms of getting the most out of the board and in terms of interactions with investors.

Richard Reid **Independent non-executive director**

Richard was appointed a director in April 2016. He was formerly a partner at KPMG LLP ('KPMG'), having joined the firm in 1980. From 2008, Richard served as London Chairman at KPMG until he retired from that role and KPMG in September 2015. Previously, Richard was KPMG's UK Chairman of the High Growth Markets group and Chairman of the firm's Consumer and Industrial Markets group.

Chair of the Audit committee

Member of the Nomination committee

Member of the Remuneration committee

Other appointments
Chairman of National Heart and Lung Institute Foundation
Deputy Chairman of Berry Bros & Rudd
Senior Advisor to Bank of China UK

Contribution and reasons for re-election
Richard brings to the board a broad experience of international financial matters as well as a specialist set of financial skills, expertise and experience from his previous roles at KPMG, including as its London Chairman, Chairman of its Consumer and Industrial Markets Group and UK Chairman of its High Growth Markets group. His extensive financial expertise and insight make him ideally placed to serve as chair of the Audit committee. Richard makes an effective and valuable contribution to the board, including through his role as chair of the Audit committee as

well as his roles on the Nomination and Remuneration committees, and demonstrates commitment, including devoting an appropriate amount of time, to the role.

Selection and independence

It is generally the Nomination committee's practice to engage the services of an independent executive search consulting firm, or to consider open advertising, to assist in the search for potential candidates from a range of backgrounds. Cognisant of the fact that the Audit committee Chairman role (vacated on the retirement from the board of Peter Smith in April 2016) required a particular set of financial skills, expertise and experience, the board considered potential candidates from the very highest level of the accounting profession. On this occasion the committee took the view that this approach would achieve the right outcome for the Company and accordingly it was not necessary to use the services of a search consulting firm or to utilise open advertising.

Richard, formerly a partner at KPMG, was identified as the outstanding candidate who best fulfilled the brief developed by the committee. Following a series of rigorous interviews with members of the board, on the recommendation of the Nominations committee, the board approved the appointment of Richard with effect from 14 April 2016. Richard brings broad experience of international financial matters to the board.

The board considered Richard's independence by reference to the relevant provisions of the UK Corporate Governance Code and concluded that he is independent notwithstanding his past relationship with KPMG, which was formerly the group's auditor. It has now been four years since KPMG ceased to be the Company's auditor in November 2015, following a competitive tender for the external audit. Richard was formerly a partner at KPMG, retiring from that role in September 2015. He had no personal engagement with any business within the Associated British Foods group during the four years prior to his appointment by the Company in April 2016.

Relationships

Richard was Chair of the board of trustees of Safer London, a registered charity supporting young people affected by violence and crime, from 2008 until he

retired from that position in August 2014. The Garfield Weston Foundation made a donation to Safer London in March 2013, following an application made by Safer London to the Foundation. The application was considered on its merits and granted as part of the Foundation's wide range of charitable donations.

Richard was a trustee of the Eden Trust, a registered charity dedicated to breaking down barriers to communication and encouraging the sharing of information and ideas with the widest possible audience, until 19 September 2019. The Garfield Weston Foundation made a grant to the Eden Trust in May 2019, following an application made by the Eden Trust to the Foundation. The application was considered on its merits and granted as part of the Foundation's wide range of charitable donations.

George Weston **Chief Executive**

George was appointed to the board in 1999 and took up his current appointment as Chief Executive in April 2005. In his former roles at Associated British Foods, he was Managing Director of Westmill Foods, Allied Bakeries and George Weston Foods Limited (Australia).

Other appointments
Non-executive director of Wittington Investments Limited

Trustee of the Garfield Weston Foundation

Trustee of the British Museum

Contribution and reasons for re-election
George brings to the board a very detailed insight of the businesses in the group, having himself managed several of the businesses both in the UK and Australia. George's role as Chief Executive for the past 14 years has seen the group grow significantly through a combination of acquisitions and organic growth and his detailed insight into the group's businesses means that he continues to contribute greatly to the long-term success of the group.

Notes to resolutions 13 and 14 **Reappointment of Auditor and Auditor's remuneration**

Resolution 13 proposes the reappointment of Ernst & Young LLP as the Company's auditor to hold office from the conclusion of this AGM until the conclusion of the next annual general

Explanatory notes to the resolutions

meeting of the Company. Resolution 14 authorises the Audit committee of the board to set the Auditor's remuneration.

Notes to resolution 15

Political donations and expenditure

Under the Companies Act 2006, political donations to any political parties, independent election candidates or political organisations, or the incurring of political expenditure are prohibited unless authorised by shareholders in advance. What constitutes a political donation, a political party, a political organisation, or political expenditure is not easy to determine, as the legislation is capable of wide interpretation.

The Company has a long-standing policy neither to make any political donations nor to incur political expenditure in the UK or the rest of the EU within the ordinary meaning of those words. We have no intention of altering this policy. However, the definitions of political donations and expenditure used in the Companies Act 2006 are very wide.

As a result, they may cover activities which are an accepted part of engaging with stakeholders to ensure that issues and concerns affecting our operations are considered and addressed, but which would not ordinarily be considered as political donations or political expenditure. Consequently, the directors have concluded that, in common with many other listed companies, it would be prudent to seek authority from shareholders to allow them to make political donations and incur political expenditure (up to £100,000 in the specified period) to ensure that the group does not inadvertently breach the Companies Act 2006.

Notes to resolution 16

Renewal of directors' authority to allot shares

The purpose of resolution 16 is to renew the directors' authority to allot shares.

The Investment Association ('IA') guidelines on directors' authority to allot shares state that IA members will permit, and treat as routine, resolutions seeking authority to allot shares representing up to two-thirds of the Company's issued share capital, provided that any amount in excess of one-third of the Company's issued share capital should only be allotted pursuant to a fully pre-emptive rights issue.

In accordance with these guidelines, the board seeks the shareholders' authority to allot shares in the capital of the Company up to a maximum nominal

amount of £29,800,000, representing the IA guideline limit of approximately two-thirds of the Company's issued ordinary share capital as at 31 October 2019 (the latest practicable date prior to publication of this Notice). Of this amount, £14,900,000 (representing approximately one-third of the Company's issued ordinary share capital) can only be allotted pursuant to a rights issue. The power will last until the conclusion of the next annual general meeting or, if earlier, 5 March 2021.

The directors have no present intention to exercise this authority. However, the directors consider it appropriate to maintain the flexibility that this authority provides.

As at the date of this Notice, the Company does not hold any ordinary shares in the capital of the Company in treasury.

Notes to resolution 17

Disapplication of pre-emption rights

Resolution 17, proposed as a special resolution, will give the directors authority to allot shares in the capital of the Company (pursuant to the authority granted under resolution 16) for cash without complying with the pre-emption rights in the Companies Act 2006 in certain circumstances. This disapplication authority is in line with institutional shareholder guidance, and in particular, with the Pre-emption Group's Statement of Principles (the 'Pre-emption Principles'). Resolution 17 will permit the directors to allot:

- (a) shares up to a nominal amount of £29,800,000, representing approximately two-thirds of the Company's issued ordinary share capital as at 31 October 2019 (the latest practicable date prior to publication of this Notice), on an offer to existing shareholders on a pre-emptive basis. However, unless the shares are allotted pursuant to a rights issue (rather than an open offer), the directors may only allot shares up to a nominal amount of £14,900,000, representing approximately one-third of the Company's issued ordinary share capital as at 31 October 2019 (the latest practicable date prior to publication of this Notice), (in each case subject to any adjustments, such as for fractional entitlements and overseas shareholders, as the directors see fit); and
- (b) shares up to a maximum nominal value of £2,200,000, representing approximately 5% of the issued ordinary share capital of the Company as at 31 October 2019 (the latest practicable date prior to publication

of this Notice) otherwise than in connection with a pre-emptive offer to existing shareholders.

The directors confirm their intention to follow the provisions of the Pre-emption Principles regarding cumulative usage of authorities within a rolling three-year period. These principles provide that companies should consult shareholders prior to issuing, other than to existing shareholders, shares for cash representing in excess of 7.5% of the Company's issued share capital in any rolling three-year period.

The directors have no present intention to exercise this authority, however consider it prudent to maintain the flexibility this authority affords. This authority will expire upon the expiry of the general authority in resolution 16 (that is on the date of the next annual general meeting or, if earlier, 5 March 2021).

Notes to resolution 18

Notice of general meetings

Resolution 18 is a resolution to allow the Company to hold general meetings (other than annual general meetings) on 14 days' notice.

The minimum notice period for general meetings of listed companies is 21 days, but companies may reduce this period to 14 days (other than for annual general meetings) provided that two conditions are met. The first condition is that the company offers a facility for shareholders to vote by electronic means. This condition is met if the company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 days to 14 days.

The board is therefore proposing, in common with many other listed companies, resolution 18 as a special resolution to approve 14 days as the minimum period of notice for all general meetings of the Company other than annual general meetings. The approval will be effective until the Company's next annual general meeting, when it is intended that the approval be renewed. The board will consider on a case-by-case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time-sensitive and whether it is thought to be to the advantage of shareholders as a whole.

Shareholder notes

1. Shareholders entitled to attend and vote

To be entitled to attend and vote at the AGM, members must be registered in the register of members of the Company at 6.30 pm on Wednesday 4 December 2019 (or, if the meeting is adjourned, at 6.30 pm on the date which is two working days prior to the adjourned meeting). Changes to entries on the register after this time shall be disregarded in determining the rights of persons to attend or vote (and the number of votes they may cast) at the meeting or adjourned meeting.

2. Voting by proxy

A member entitled to attend and vote at the meeting may appoint another person(s) (who need not be a member of the Company) to exercise all or any of his/her rights to attend, speak and vote at the meeting. A member can appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attaching to different shares held by the member.

A proxy does not need to be a member of the Company but must attend the meeting to represent the member.

A member's proxy could be the Chairman, another director of the Company or another person who has agreed to attend to represent the member. The member's proxy will vote as the member instructs and must attend the meeting for the vote to be counted. Appointing a proxy does not preclude the member from attending the meeting and voting in person.

A form of proxy (or notification of availability if registered to receive shareholder communications electronically) which may be used to make this appointment and give proxy instructions has been sent to all members who appeared on the register of members at the close of business on 30 October 2019. Details of how to appoint a proxy are set out in the notes to the form of proxy. If you do not have a form of proxy and believe that you should have one, or if you require additional forms, please contact Equiniti, Aspect House, Spencer Road, Lancing BN99 6DA (Tel: 0371 384 2282 (UK only) or +44 (0)121 415 7047 (from outside the UK); lines open 8.30 am to 5.30 pm (UK time), Monday to Friday excluding English public holidays). As an alternative

to completing a hard copy form of proxy, proxies may be appointed electronically in accordance with the paragraph below.

In order to be valid, an appointment of proxy must be returned (together with any authority under which it is executed or a copy of the authority certified or in some other way approved by the directors) by one of the following methods:

- in hard copy form by post, by courier or by hand to the Company's Registrar: Equiniti, Aspect House, Spencer Road, Lancing BN99 6DA;
- by completing it online at www.sharevote.co.uk by following the on-screen instructions to submit it – shareholders will need to identify themselves with the voting ID, task ID and shareholder reference number printed on the hard copy form of proxy;
- in the case of shareholders who have already registered with Equiniti's online portfolio service, Shareview, they can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk and clicking on the link to vote; or
- in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below,

and in each case must be received by the Company's Registrar not less than 48 hours before the time of the meeting (excluding non-working days), being no later than 11.00 am on Wednesday 4 December 2019.

Please note that the Company takes all reasonable precautions to ensure no viruses are present in any electronic communications it sends out, but the Company cannot accept responsibility for loss or damage arising from the opening or use of any email or attachments from the Company and recommends that shareholders subject all messages to virus-checking procedures prior to opening.

Any electronic communication received by the Company, including the lodgement of an electronic proxy form, that is found to contain any virus will not be accepted.

To change your proxy instructions you may return a new proxy appointment using the methods set out above.

Any change must be received by the Company's registrar prior to the proxy deadline previously advised in this note. Where you have appointed a proxy using the hard copy form of proxy and would like to change the instructions using another hard copy form of proxy, please contact Equiniti, Aspect House, Spencer Road, Lancing BN99 6DA (Tel: 0371 384 2282 (UK only) or +44 (0)121 415 7047 (from outside the UK); lines open 8.30 am to 5.30 pm (UK time), Monday to Friday excluding English public holidays). Where two or more valid separate appointments of proxy are received in respect of the same share in respect of the same meeting, the one which is last received shall be treated as replacing and revoking the other or others.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST manual on the Euroclear website (www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST manual. Regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, in order to be valid, the CREST message must be transmitted so as to be received by the issuer's agent (ID number – RA19) by the latest time(s) for receipt of proxy appointments specified in this Notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.

Shareholder notes

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In relation to this, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

3. Voting by corporate representatives

A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the AGM. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that the representative does not do so in relation to the same shares.

4. Electronic voting

Voting on resolutions 1 to 18 will be conducted by way of a poll rather than a show of hands. This is a more transparent method of voting as member votes are counted according to the number of shares held. In line with many other public companies, we will ask shareholders who attend the AGM in person or by proxy to vote on the resolutions using the handheld 'VotenoW' electronic system. This will record all votes cast for each resolution and display them on a screen, providing shareholders with immediate detailed results. As soon as practicable following the AGM, the results of the voting at the meeting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each of the resolutions will be announced via a Regulatory Information Service and also placed on the Company's website www.abf.co.uk.

5. Issued share capital and total voting rights

As at 31 October 2019 (being the latest practicable date prior to the publication of this Notice), the Company's issued voting share capital consists of 791,674,183 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company are 791,674,183.

6. Documents available for inspection

Copies of the directors' service contracts with the Company and the terms and conditions of the appointment of non-executive directors will be available for inspection during normal business hours (which do not include Saturdays, Sundays and public holidays) at the registered office of the Company and will be available at the place of the meeting from 15 minutes before the start of the meeting until its conclusion.

The content of this Notice, details of the total number of shares in respect of which members are entitled to exercise voting rights at the meeting, the total voting rights that members are entitled to exercise at the meeting, and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this Notice will be available on the Company's website www.abf.co.uk.

7. Members' right to ask questions

The Company must address at the meeting any question relating to the business being dealt with at the meeting which is put by a member attending the meeting, except (i) if to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (ii) if the answer has already been given on a website in the form of an answer to a question, or (iii) if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

8. Audit statements

Members satisfying the thresholds in section 527 of the Companies Act 2006 can require the Company to publish a statement on its website setting out any matter relating to (a) the audit of the Company's accounts (including the Auditor's report and the conduct of the audit) that are to be laid before the AGM; or (b) any circumstances connected with an auditor of the Company ceasing to hold office since the last AGM, that the members propose to raise at the AGM.

The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's auditor no later than the time it makes its statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required to publish on its website.

9. Nominated persons

A copy of this Notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a 'Nominated Person'). The rights to appoint a proxy cannot be exercised by a Nominated Person; they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him/her and the member by whom the Nominated Person was nominated to be appointed as a proxy for the meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he/she may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.
